Applying for a grant – Frequently asked Questions

1. What projects will you fund?

The full criteria of what we will fund can be found via our [Grants Portal](#)

2. What should I do if I am unsure about whether my proposed project is something you would consider?

We are real people and happy to chat through your idea – just pick up the phone and call us for an informal chat on 0161 388 8988 or email us at office@nwhearts.org

3. How long will it take me to complete the application?

This is dependent on many factors but feedback from applicants tell us that it takes, on average, about 1 – 1.5 hours to complete fully.

4. What should I do if I have a problem in accessing the portal, or can't find my partially completed application?

Just give us a call or drop us an email. We'll be happy to help you.

5. How soon will I hear if my application is successful?

It takes a while for our grant judges to analyse the many applications we receive, as we want to be as thorough as we can. The applications are then taken to a final award panel. This process takes around 2 months from the closing date. All applicants will receive written notification of the outcome of their application.
